Larry Adler, Musician and Wit, Dies, Dismissed

from Peabody Institute as "incorrigible,
untalented, and entirely lacking in ear."

(That place then; this now.) He met
everybody to hear him tell it, kings

to Capone. How 'bout (that other) Al
"Blockhead" Einstein? I'm wondering.

There's always orthodoxy. A few slide
courtesy of Maestro Professors. For
these last, a standing ovation!
